

## Photo Prints Order Form

Thank you for choosing Bigott Photography. It has been a pleasure working with you. It is now time to get those photos printed in a variety of ways. Please use the form on the reverse side to make your choices. Please indicate the photo number on the far left column of each box. Then, list how many of each size you would like in the columns to the right. Finally, down at the bottom, add up how many prints you have ordered, the total amount owed, plus the tax, and write it in the "Total Amount Owed for Prints" line. Please make all checks payable to Kristen Bigott.
